23rd September 2010

Dear Ski Club of Manchester,

I am very pleased to officially award Ski Club of Manchester Snowmark Accreditation, after a successful assessment. Please find enclosed a Snowmark certificate, which we hope you will display with pride.

The Club is one of the first Snowsport Clubs to receive this form of accreditation, an excellent achievement for all involved.

The awarding of this accreditation highlights the commitment made in creating and developing an effective Club and providing a high quality-sporting environment. We would like to promote your club through our website and relevant events, meetings and publications.

Please ensure you sign up to become a member on the Clubmark website www.clubmark.org.uk. You will then be able to access useful information such as the monthly Clubmark newsletters as well as the official logo and web resources.

Now the Accreditation evidence file has been created it is important it is used as a working document. Information should be updated as and when required and collated within the file. The file will be reviewed on an annual basis to ensure the Club still qualifies for the accreditation. The review process will commence 12 months after the original assessment date and a full re-assessment will take place in three years time.

Once again may I take the opportunity to congratulate the Club on its achievements and I look forward to continuing to work with you in the future.

Yours sincerely,

Jan Doyle
